MUNICIPALITY OF MARAGONDON
OFFICE OF THE MUNICIPAL MAYOR

M E S S A G E

When I pledged as Municipal Mayor of this promising town, I deeply ingrained to myself that I am indebted to my people. They have given me their whole trust and it's just right and necessary to serve them with utmost sincerity and transparency.

It has been a year and five months, we've sailed and surpassed the tough waves. With your constant support, we are still here, standing tall for our dear Maragondonians.

Public administration is not as easy as playing under sun. One must endure the pain, learn the lessons of failure, and embrace change to effectively lead the entire community towards development and progress.

Under our leadership, we have utilized our funds in achieving our noble commitment. And that is, commitment to the growth of our people. Programs and projects are well-aligned and attuned to the demands of public.

We have prioritized different infrastructure projects using our local funds. We have started the concreting of Farm-to-Market Roads in Tulay B, Mabato, Layong Mabilog and Pantihan 1. The repair and rehabilitation of hanging bridge in Pinagsanhan and Caingin has provided convenience to the traversing public. The extension of MERALCO facilities in San Miguel A and Pinagsanhan B has lightened the streets and numerous houses.

We have extended our educational assistance to 169 college students and 84 high school students. We have donated 150 pieces of school chairs and 14 units of computer to PUP-Maragondon.

We have provided more medicines and purchased laboratory equipment and reagents in order for our Rural Health Unit to efficiently carry out its health services.

We have distributed wheelchairs to our PWD's. We have offered Ophthalmic Services wherein 461 senior citizens availed the free eye check-up and 266 senior citizens went through free cataract operation.

These are just some of what we have collectively done. We can do more. I urge you to sail with me. I need all of you in building "Bagong Maragondon". The promise of a better future lies on each of us. Do your share. Be my strength.

Maraming maraming salamat po. Karangalan kong paglingkuran kayo.
